SKILLS

- Javascript
- Redux
- Python
- Styled Components
- React
- Figma

EDUCATION

Lambda School

- Course work includes but is not limited to React, React Hooks, Redux, Node, Express, MongoDB, Jest, React Testing Library, Antd, Styled Components, Less, Scss, Html, CSS, and many more.

PROJECTS

PM-Dashboard/Student-Dashboard

- Organized, designed, and developed a web application to assist Lambda Team Leads in their daily activities
- Utilized React component hierarchy and Redux state-flow to manage component structure
- Leveraged googles new firestore for data storage and real-time data updates

VolunTier

- Assisted in the design, development, and deployment in order to help non-profit organizations find volunteers
- In 8 weeks the application was capable of sending messages to and from non-profit organizations and users, view and make comments on event pages and the ability to view how many volunteer spaces available utilizing firestore snapshots for application data updates

Created NPM Packages

- useful-react-hooks
  - Utilizing typescript, built a react hooks library with some useful react hooks that can be used in many projects.
- logging-done-simple
  - Crafted a useful logging package that will automatically group console logs and delivers a colored and styled log to the console for easier development

EMPLOYMENT

Lambda School, Full Stack Team Leader

- Brainstorming: After hours, stand up, oversee code check for best practice, unforeseen errors, manage merges, daily video one on one instruction

U.S. Navy, Rescue Swimmer

- Supervised and mentored training and operation teams while deployed in the Persian Gulf
- Executed over 3,000 logged flight hours and over 1,400 completed missions

U.S. Navy, Machinist Mate

- Oversaw team of four personnel and led them to an efficiency score of above average on our Ultra S Inspection

AWARDS

Navy and Marine Corps Achievement Medal x2

- Transporting more than 5,000 passengers and more than 24.6 million pounds of cargo
- Flying over 731 flight hours

Navy and Marine Corps Achievement Medal x1
